COMING SOON! HopeHealth Pediatrics on Second Loop Road

New pediatrics center to open November 2

HopeHealth Pediatrics in Florence has a new home. Formerly located within the Medical Plaza, HopeHealth Pediatrics in Florence, along with CARE House of the Pee Dee, will begin seeing patients at 1920 Second Loop Road in November.

HopeHealth's board-certified pediatricians, Dr. Michael K. Foxworth II and Dr. Camille Montes-Ramos, have years of experience in providing excellent health care to children of all ages. Many new moms and dads consider them to be the best in the Florence area for newborn care.

"I love that the staff is always friendly, engaging, and very thorough," said Adrienne Licari whose children, 8-month-old Amelia and 3-year-old John, are patients of Dr. Michael K. Foxworth II. "It's just such a smooth process getting into the room, and the staff light up as if we are family."

The new space will allow increased access to pediatric care in a child, teen, and family-friendly environment. HopeHealth Pediatrics in Florence is a community-based primary health care office and will provide pediatric and adolescent care for newborns, infants, young children, adolescents, and teens.

Welcome New Providers

Melissa Brady, MSW, LISW-CP

Melissa Brady serves as a behavioral health consultant at the HopeHealth Medical Plaza. She is certified in trauma-focused cognitive behavioral therapy.

Jessica Green, LPC, LAC, CAC II

Jessica Green serves as a behavioral health consultant at HopeHealth in Manning. She is licensed as a mental health counselor and licensed and certified as an addiction counselor.

Richard Smith, DO

Dr. Richard Smith joined the HopeHealth Medical Plaza in Florence. He is a member of the Student Osteopathic Medical Association, Phi Kappa Phi, American College of Physicians, and South Carolina Osteopathic Society.

Regina Stanley, FNP

Regina Stanley is a family nurse practitioner at HopeHealth at Francis Marion University. She is a member of the American Association of Nurse Practitioners, American Nurses Association, and South Carolina Nurses Association.

Samuel J. Tomlinson III, MD

Dr. Samuel J. Tomlinson III joined HopeHealth in Kingstree as a family medicine physician. He is involved in the community through the Williamsburg Recreation Department, Williamsburg Academy, and Kingstree Presbyterian Church.

Sara Davis Wallace, FNP

Sara Davis Wallace serves rheumatology patients at HopeHealth on Palmetto Street in Florence. She is a board-certified family nurse practitioner.

#WorkAtHH

An online initiative to promote HopeHealth as a local employer of choice in the Pee Dee was rolled out in early summer.

Share your HopeHealth experiences with #WorkAtHH and visit our online career center at careers.hope-health.org to learn more about openings in our growing organization.

Compassionate Care Fund receives donations

The HopeHealth Compassionate Care Fund recently received donations totaling more than \$60,000 dollars including :

- The Aiken Foundation presented HopeHealth with a \$40,000 donation for the vital work HopeHealth does for our patients in the communities we serve
- A monthly contribution from Abundant Life Church
- The Grove Luxury Townhomes donated \$12,000 to the fund
- Jebaily Properties presented HopeHealth with a \$10,000 check for the Children of Hope program

"Giving back is everything," said John

From left, Carl M. Humphries, HopeHealth CEO, accepts a donation for the Compassionate Care Fund from Julie Jebaily and John Jebaily.

Jebaily, who is also a member of the HopeHealth Board of Directors. The Jebailys' donation will benefit the Children of Hope program, helping provide gifts to patient families in need during Christmas.

"We are so grateful for the support of local businesses and community members," said Scherrie Cogdill, director of development at

HopeHealth. "These funds will help us add an additional 100 children to the annual Children of Hope holiday shopping list."

Additional donations are used to assist HopeHealth patients through the Compassionate Care Fund which provides specialty care and support to those patients with complicated financial needs and health conditions.

compassionate care ♥ fund

HopeHealth provides a health care home to more than 50,000 patients in five counties. Through our fundraising efforts, we are able to provide specialty care and support to many of those patients with complicated financial needs and health conditions.

HopeHealth is a 501 (c)(3) nonprofit organization. Donations to HopeHealth are tax-deductible according to current IRS laws. Mail donations to: HopeHealth Community Relations, 360 North Irby Street, Florence, SC 29501.

Yes, I would like to make a donation to the Compassionate Care Fund.

National Health Center Week 2020

National Health Center Week is typically a week full of events at HopeHealth. However, this year, with COVID-19, HopeHealth celebrated NHCW, by:

- Providing education on our advocacy efforts and goals
- Distributing food boxes to HopeHealth patients and highlighting important issues such as having a primary care provider, screenings/early detection, nutrition, pre-diabetes, and blood pressure
- Recognizing the HopeHealth Board of Directors as valuable community stakeholders and advocates
- Promoting the importance of registering to vote and voting, completing the census, and becoming a health center advocate

In-keeping with this year's theme, Community Health Centers: Lighting the Way for Healthier Communities Today and in the Future, HopeHealth highlighted the future of centers in our community with a groundbreaking ceremony. The new HopeHealth location on Pine Needles Road, Florence, will accept new patients of all ages and is scheduled to open in summer 2021. It will include 12 exam rooms, a full-service laboratory, pharmacy, and an outdoor green space.

The groundbreaking was live-streamed on Facebook and can be viewed at facebook.com/hopehealthinc/videos.

KIDS ART CONTEST

VETERANS WITH HOPE

THANK A VET ART CONTEST

The annual Veterans with Hope art contest runs through Nov. 1

Two age groups:

Ages 12 and under | Ages 13-18

Prizes for each age group:

First Place: \$100 gift card

Second Place: \$50 gift card

Free art kits are available while supplies last.

Submissions must reflect a gratitude and appreciation for our current and former military personnel and the sacrifices made for our freedom.

Themes to help students brainstorm freedom, Veterans Day, sacrifice, returning home, patriotic, family, leader, hero.

Art can be any media, including but not limited to watercolor, pencil, marker, crayon, acrylic, digital design, jewelry, papier-mâché, pottery, metal work, fabric, recorded music, poems, stories.

Artists may also submit a description of up to 250 words to explain their piece.

Entries must be mailed to or dropped off at any HopeHealth location by Nov. 1.

For more information, email veterans@hope-health.org.

Strategic Plan 2020-2022

HopeHealth's commitment to serving others, giving hope, and changing lives is deeply-rooted in the organization's practices and is reflected throughout the 2020-2022 Strategic Plan.

While HopeHealth has carried over the "Customer, Company, and Community" concept from the 2018-2020 plan, updated objectives also guide efforts in positioning HopeHealth as:

- The leading outpatient health care provider in the region
- The industry's local employer of choice
- The media's chosen local medical expert

Since the release of the 2018-2020 strategic plan, HopeHealth has increased its brand value across all locations, incorporated a guest experience department, and improved media exposure.

With all of these concepts in mind, the 2020-2022 plan will also have a strong focus on quality assurance and sustainability.

Finally, as a federally qualified health center, access to care and meeting the needs of our local service areas will always serve as a core component of our mission.

HopeHealth
Golf Classic
Nov. 19, 2020

The fourth annual HopeHealth Golf Classic will be held Nov. 19 at the Wyboo Golf Club in Manning.

Sponsorship opportunities are available through Nov. 1 with proceeds benefiting the HopeHealth Compassionate Care Fund.

The tournament is a four-man captain's choice and is open to all with a shotgun start at 11:45 a.m. Tournament fees are \$75

per player and include 18 holes of golf with a cart, a barbecue lunch, and awards.

Mulligans will be for sale and awards include the longest drive and closest to the pin.

To register for the tournament or find out more about sponsorships, contact Scherrie Cogdill at scogdill@hope-health.org by Nov. 1.

AIDS/HIV Awareness

Due to COVID-19, the annual AIDSWalk programs will look a little different in 2020. For details on our virtual AIDSWalk 2020 and other programs commemorating HIV/AIDS awareness, visit our Facebook page, website, or sign up for the Patient Prescription digital newsletter at hope-health.org.
