

## The Position

We're looking for physicians who are licensed or eligible for licensure in South Carolina and excited to work for an innovative and growing community health center.

The desired candidate will have the skills and expertise to contribute to a culture of continuous learning and education, along with evidence of impact in clinical innovation.

## The Passion

HopeHealth is committed to excellence through service that exemplifies love for people and passion for their well-being.

## The People

HopeHealth is a progressive and growing organization that knows the importance of taking great care of its patients begins with taking care of its people – starting with the providers and clinical staff that provide direct care to our patients!

Even though HopeHealth has tripled in size in the last five years, we strive to maintain collegiality and a family atmosphere. If you want to be part of the kind of organization where we believe and live our mission, vision, and values, and where every employee gets a birthday card from the CEO, then HopeHealth is the place for you.

# The Place
